MEMORANDUM FOR: Mr. Matthew Baird  
Central Intelligence Agency  
2430 E Street, N. W.  
Washington 25, D. C.

FROM: Benjamin B. Warfield *BW*  
Chief of Training

SUBJECT: CIA Briefing of USIA Junior Officer Trainees

As I have mentioned to you in conversation, we have recently had examples of misunderstanding of CIA's specific function on the part of our Junior Officer Trainees on their first overseas assignment. We would like to suggest that you provide a suitable briefing for the class now in training before their departure about the 21st of November. A list of their names and posts of assignment is attached.

For your information, the usual "Departmental Briefing" under [REDACTED] has already been arranged for the group for November 18, 1958.
